General Instructions

What is the purpose of this form?

Purchasers and sellers of aircraft will use RUT-60, Certification For Aircraft Exemption, to properly claim an exemption when an aircraft is located temporarily in Illinois for one of the following reasons:

- aircraft leaves after the purchase or sale
- prepurchase evaluation
- post sale customization.

Keep Form RUT-60 in your books and records to document the exemption.

What return must be filed?

When the item qualifying as an exempt purchase

- is sold by an Illinois dealer, it must be reported by the seller on Form ST-556, Sales Tax Transaction Return.
- is purchased from an out-of-state dealer, it must be reported by the purchaser on Form RUT-25, Use Tax Transaction Return.
- is purchased (or acquired by gift or transfer) from an individual or other private party, it must be reported by the purchaser or transferee on Form RUT-75, Aircraft Use Tax Transaction Return.

What purchases qualify for tax exemption on aircraft?

The tax exemption applies to aircraft that leave Illinois after the purchase or sale, or are temporarily located in Illinois for prepurchase evaluation or post sale customization. Conditions have to be met before the exemption is applied.

◆ Aircraft leaves Illinois

An aircraft is purchased or sold and meets the following conditions.

- The aircraft leaves Illinois **within 15 days** after the later of either the issuance
 - ☐ of the final billing for the purchase of an aircraft
 - ☐ or the authorized approval for return to service, completion of the maintenance record entry, and completion of the test flight and ground test for inspection, as required by 14 C.F.R. 91.407.
- The aircraft is not based or registered in Illinois after the purchase.

◆ Prepurchase Evaluation

Tax is not due if the aircraft is temporarily located in Illinois for an examination prior to the purchase and is not based or registered in Illinois after the prepurchase evaluation.

◆ Post Sale Customization

Tax is not due if the aircraft is temporarily located in Illinois for improvement, maintenance, or repair performed on the aircraft after transfer of ownership and all of the following conditions are met.

- The aircraft leaves Illinois **within 15 days** after the authorized approval for return to service, completion of the maintenance record entry, and completion of the test flight and ground test for inspection, as required by 14 C.F.R. 91.407.
- The aircraft is not based or registered in Illinois before or after the post-sale customization.
